June 8th, 1992.

Mr. John Byl,
Redeemer College
Ancaster, Ont. L9G 3N6

Dear John:

I'm just back from two weeks with our family in Palo Alto, Cal., and this is me behind my little old STANDARD typewriter (good for arthritic fingers!).

I read your dissertation from cover to cover during my stay there, and it is no wonder you received an "A" on same. I found it most interesting, and of course marvelled at the amount of research you did to cover the 41 years so well. CONGRATULATIONS INDEED!

Upon my return, too, was the photo of the Class of '42 reunion as well as the get-to-gether in Ancaster. I really enjoyed that, as did the others...especially Bess Pitt Barron, who apparently hadn't gone anywhere since her operation last fall? Ruth Scott Prophet looked after that transportation for me, which certainly saved me a lot of time, only making the one pickup for Eleanor Kay. Thanks again for sending us all the photo. You are a good photographer as well!

I am, as promised, sending you the copy of the History of Welcome Wagon in Canada which I was commissioned to write for our 60th year as a Company in 1990. I hope you will find it interesting. One of the persons to whom I reported (new York) back in the 60's and 70's is coming to spend a few days with us in August. He is Bill Morris (now living in Denver). He LOVES Highland Dancing and is coming up here to coincide with the Highland Games in Fergus. He did this about four years ago and enjoyed it so much, he's coming back for an encore!

I have had so many nice letters "from the girls" upon my return, and in them were many wonderful compliments of your contribution to our 50th Re-union. The balance of the 24 hours seemed to please them as well, but starting off with your presentation, was such a great kick off.

Hope our paths will cross again, and glad to hear you are contacting President George Eaton. After reading your dissertation, I was even more convinced that they should (and would like) have a copy of your dissertation.

Yours very sincerely,

Pauline Hill (my title these days
with WW is Hon. Chairman and Director).

Dear M&S Gang: May 29/92

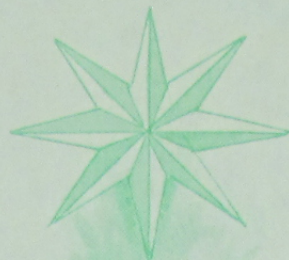

It was good that we had a re-union. At our ages (and do remember I am 2 years older than most of you) we may never do it again. But - it is my hope that as a result of the event's updating of the "mailing list" more of us will keep in touch. We were sorry that Nancy McKean Fortin had to cancel out at the last minute, but 13 of a possible 24 were present, and of course 4 of the classmates live overseas. We are still hoping to hear from Joan Fawcett Evans, and when we do, I will send you all a copy. Copies of other absentees are being circulated herewith.

First of all I want to thank those of you who came to Toronto. It was a lot fun organizing the event, but when we came together it made it all very worthwhile. One of the highlights was having John Byl show us his M&S Slide Show (A enjoyed it again the next day in Ancaster when we all met with him to celebrate his (A rating) doctorate dissertation) and share with us much of his research. I was currently reading his document (well worth the cost price of \$40.00) and enjoying learning the background of the school we loved so well'

We crammed a fair bit into 27 hours - the session in the Welcome Wagon Board Room (& lunch there) - the "gabfest" in our Royal York Suite that afternoon plus dinner at the Ontario Club. Up next morning to a continental breakfast and more time to share memorabilia - & finally for our out-of-towners, in particular, an opportunity to see Toronto from the world's highest structure, plus a great meal. The reunion was complete, but not without a lot of friendly hugs and kisses and hopes expressed that we would meet again somehow, somewhere - if not as a group, as individuals as we travel. If our overseas group of four visit Canada, we will surely arrange a short get together of course!

A special thanks goes out to Anne Thomson Roper who treated us to wine - not only in our hotel suite, but at dinner on the first evening - we drank a toast to your improved health, Anne! Thanks again. Also thanks for sending us Jill Cavenagh Kelly's Victoria address - I am sending it to all in this mailing.

Affectionately - Paul & Sellen Hill

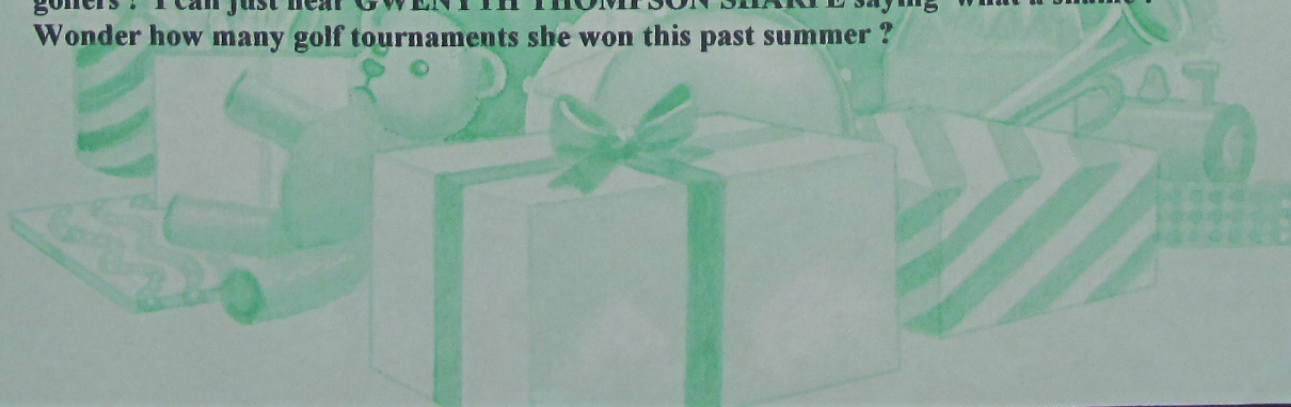

Happy Holiday Season to MES Class of '42 :

Although I have the privilege of writing you again this Christmas, I can't believe our good fortune in having Jean King Morrison's assistance with the mailing list (on her computer) and "retyping" my letter more professionally on her word processor. I struggle away with my old "standard typewriter" but Jean takes over after that. She has made up mailing labels to each of you ... I will send the addressed envelopes to her and she will stuff the very enhanced newsletter which she prints from my rough draft. Together we make a good team !

Speaking of JEAN ... it was wonderful for both Mary Shirton Andres and myself to have a pleasant visit with her this spring. Mary put on the coffee pot and we had a little more than an hour of reminiscing and fellowship. Jean calls our visit a "highlight of a week of special events of things she wanted to do in TO." We reviewed some pictures of our 50th Reunion which she had not been able to attend, and both Mary and I enjoyed them all over again too. Incidentally, JEAN has had her six months check-up with her surgeon. He had good news for her ... only an annual check-up now indicated, leaving her free and able to make travel plans. She hopes to see some MESers in that travel plan.

Speaking of MARY SHIRTON ... she recent had laser surgery for a cataract, and although it takes time for the total healing, Mary is noticing a fair improvement from day to day. We'll get together for coffee again soon ... wish you could join us. Did I tell you that Mary had a short trip to Bermuda in 1995 ?

Heard from JEAN FINCH SCHICK this summer too. She like several of you, remarked on the fact that it was so nice to get a copy of JOYCE O'NEILL TATE'S letter. "FINCHY" had also had a letter from LOIS CREIGHTON HARNISH but still no letter from "SCOTTY". Many of us are feeling really sad about this. Please take time to write at least one of the gang ! You used to be our #1 communicator ! Back to "FINCHY" ... she and Bill both got in a lot of golf this past summer. Speaking of golf in Manitoba ... I must brag here. My grandson, David Alexander Hill became the 1995 Manitoba Junior Golf Champion. At 14, he is the youngest EVER to win that championship. Our son Dave had won it 3 times in a row , but not until he was 16, 17 and 18. And neither Alex or myself are golfers ! I can just hear GWENYTH THOMPSON SHARPE saying 'what a shame !' Wonder how many golf tournaments she won this past summer ?

- 2 -

EVELYN TINDALE (Tinny) had a few visits in Victoria with ANN THOMPSON ROPER this past summer, both enjoying the reunion there.

BARBARA HALLIDAY MAC DONALD had her first trip to Ireland this past year, but I have no further report on that.

Did have a short phone call from FLORENCE RILEY during the year, but we havn't managed to get together since the 1992 re-union.

We all seem to be busy in our own separate ways, but we all seem to agree that it is good to hear about one another. SO ... PLEASE KEEP THE CORRESPONDENCE COMING !

In your envelope, courtesy Jean (King) is a list of living MES Grads, Class of '42 !
No excuse not to write.

Affectionately,

Pauline Hill
